VOLUME 89 THURSDAY, FEBRUARY 27, 1986 ELBA, ALABAMA 36323 1 SECTION 16 PAGES (Plus 2 Adv. Inserts) NUMBER 35

Plan To Follow Unit System Guidelines Causes Stir Among Commission

The Coffee County Commission met in regular session on Monday, Feb. 24, at the courthouse in Elba and heard county engineer Mac Rushing state that the highway department would begin working as

OUTLINES NEW PLAN . . . County engineer Mac Rushing outlined his reorganization plans for the Coffee County Highway Department at Monday's Coffee County Commission meeting. The commission, in a split vote, agreed to support Rushing's plan.

outlined in the "Unit System" and the department would undergo an extensive reorganization.

Rushing, who has been employed as county engineer for seven months, said that since his appointment as county engineer he had spent a great deal of time studying the road program in the county.

"The duties of the county engineer are outlined in the unit system," stated Rushing, "and to provide the best possible road system for the residents of the county the commission needs to work with me under the unit system. The current system involving work areas causes problems with the efficiency and productivity of both personnel and equipment."

Under the new system, Rushing reported all highway department employees would report to work at the county shop daily and then go to an assigned work detail. The employees will be reclassified based on skills, and would allow new specialized work crews to handle individual problems across the county.

Also, all equipment not assigned to a crew will be moved to the shop, all fuel tanks will be moved to the county shop and all work requests would be forwarded to the engineer's office for dispersal.

The engineer stated the unit system was established by an act of the legislature and told the commission he would "appreciate its support."

Commissioner Jimmy Bryan voiced immediate opposition to the engineer's plan and declared, "It's been tried in Coffee County before and it didn't work, and it won't work now."

Commissioner Bill Faulk supported the change, saying, "I support the unit system and want to do what is economically best for the people. I can understand the engineer's problem and think it would be in the best interest of the county to support his plan."

When the county's "unique" dual courthouse system was mentioned as a problem, Rushing stated, "I don't think the dual system should cause problems in the highway department; need should be the primary concern. I think the unit system gives me the authority to do what I have planned, but I would like the support of the commission."

Commissioner Bryan, who con-

tinued to be vocal in his opposition, spoke up again and said, "It will not be as efficient as the current program and I don't think it will work. We will have a turnover in personnel due to the extra travel required in going to New Brockton every day, and I don't think the public will like it. I don't think the county is too big for the engineer to handle as it now operates."

"I worked in a county using the unit system for four years, and I know it will work," Rushing added. "I have more experience in this program than any commissioner and it will work! If it doesn't, I'll admit I was wrong and will be willing to change."

Commissioner Faulk made a motion to support the change and it was seconded by Commissioner Billy Paul Owens.

The commission and engineer had obvious differences in opinion concerning authority under the unit system, and after a lengthy discussion a vote was taken, with Faulk, Owens and Sid Averett voting to support the change, and Bryan, Eugene Bradley and Billy Eagerton voting against it.

Probate Judge Marion Brunson, commission chairman, was called on to break the tie and stated, "We have an engineer to make these decisions and think we should give his plan a try, so I'll vote to support his plan."

Commissioner Eagerton expressed a concern that since the commissioners no longer had direct authority over work crews, that previous promises to do work would be delayed.

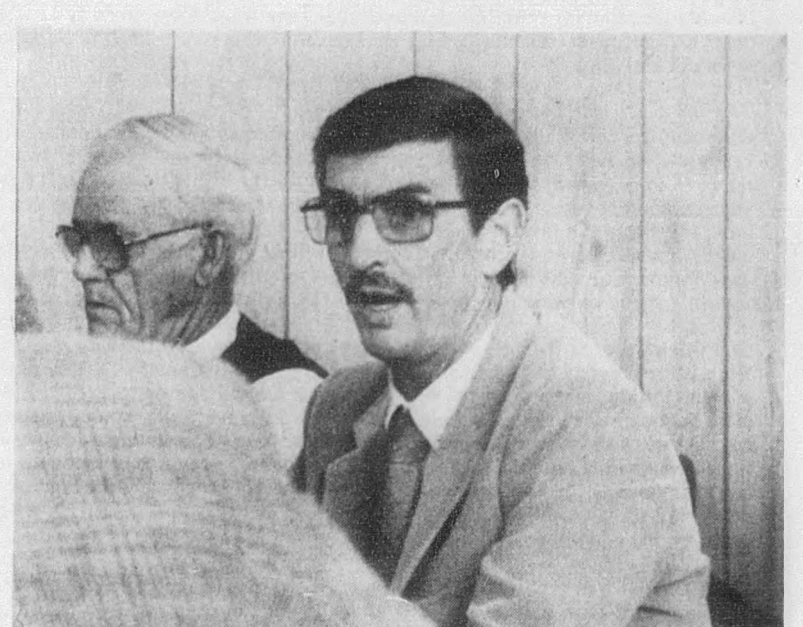

The engineer assured the commission that their wishes would continue to be followed and pledged to work with the commission.

Monday's meeting began at 9 a.m., and after the routine adoption of the minutes of the previous meeting, the commission opened bids on roofing the county office complex.

The only bid came from Robbins Roofing Company of Dothan, and the prices were \$34,100 for the arena, \$14,946 for the ASCS building and \$15,258 on the engineering building, for a total project cost of \$64,304.

The bidder stated it wasn't possible to get a 20-year bond, as requested; however, a 3-year guarantee was offered.

The commission felt the cost was

VOICES OPPOSITION . . . County commissioner Jimmy Bryan voiced immediate opposition to the county engineer's plan to reorganize the highway department going strictly by Unit System guidelines. Bryan stated "It didn't work before, and it won't work now."

high for only a 3-year guarantee and the bid until the bidder could meet with the maintenance supervisor and the county attorney to work out a negotiated agreement.

In other action at the bi-weekly meeting, the commission: ***presented a \$3,000 check to members of the Ino Volunteer Fire Dept.; ***instructed the county engineer to repair a loader and a pan used at the landfill;

***agreed to meet with a representative of a garbage disposal company on Feb. 27 to discuss operating the county's landfill; ***voted it was county policy for a landowner to provide driveway pipe, and used pipe must be approved by the engineer;

***announced a meeting on proposed subdivision regulations would be held on March 3, at 7 p.m. at the Farm Center and interested groups could pick up a copy of the regulations prior to the meeting at the engineer's office;

***instructed the engineer to park all highway department vehicles (with the exceptions of the engineer's car) at the Farm Center at the completion of each work day, stopping the practice of certain

foremen taking home vehicles in case of emergencies during off-duty hours; ***sent out invitations to bid on a poll list to be placed in all three county newspapers; ***stated sick leave was available to employees upon completion of a six-month probationary period; ***was told work had begun on the Farm Center grounds in preparation for the National Spring Chicken Festival;

***wished best of luck to the Elba and Zion Chapel basketball teams for qualifying for the state tournament; ***was told no state health department funds were available to renovate the health office in Enterprise;

***sent out letters of commendation to all law enforcement agencies involved in the capture of two escapees from the county jail on Feb. 22; and ***passed a resolution commending Mrs. Wynell Lassiter for 35 years of service in the ASCS office.

The commission will hold a special adjourned meeting on Feb. 27 at 9 a.m. in Elba, while the next regular meeting will be on March 10 at 9 a.m. in Elba.

Dossey Murder Conviction Upheld By State Appeals Court

The Alabama Court of Criminal Appeals last week upheld a 99-year prison sentence for a rural Crenshaw County man convicted in 1985 of murdering his wife for over \$300,000 in insurance money.

Roy Loid Dossey, a resident of the Bullock Community, was convicted on March 13, 1985, for the shotgun slaying of his wife on Jan. 1, 1984, but appealed the conviction, citing a number of reasons including alleged incompetence by his attorney.

In denying the appeal, the appeals court stated, "Running like a thread throughout the prosecution's case is the \$300,000 in insurance the defendant would collect on his wife's death."

Prosecutors in the case, which was tried in Crenshaw County Circuit Court, contended Dossey planned to kill his wife to collect on several insurance policies, including a \$100,000 double indemnity policy taken out only three months prior to Mrs. Dossey's death.

Dossey stated during testimony that he and his wife went hunting on New Year's day and that he left her in one section of the woods while he took his shotgun and walked 100 yards away to look for another spot to

look for deer. He said he heard a shot and after walking back to his wife, he found her lying on the ground.

Mrs. Dossey died of internal bleeding and was found to have been struck 14 times by pellets from a 20-gauge shotgun.

In his appeal, Dossey claimed his attorney took no photographs at the scene of the shooting, didn't talk to any witnesses prior to the start of the trial, didn't ask for a change of venue and failed to ask the jurors if any of them knew about the death of Dossey's child and the subsequent exhumation of her body.

Prosecutors have stated Dossey is the prime suspect in the drowning death of his 9-year-old daughter, who drowned in a swimming pool near the Dossey's home two years prior to Mrs. Dossey's death. Dossey reportedly became a suspect in his daughter's death after the investigation began on Mrs. Dossey's death.

Dossey reportedly took out a \$5,000 double-indemnity insurance policy on his daughter six days prior to her death and listed himself as the beneficiary.

According to authorities, Dossey collected the \$10,000 in his daughter's death as well as approximately \$20,000 on one of the insurance policies taken out on his wife.

The appeals court stated, "The prosecution proved that the defendant had the means, motive and opportunity to kill his wife," and ruled "The evidence was sufficient to support the verdict of the jury."

Dossey still has the legal right to appeal to the Alabama Supreme Court.

All Is Cheery At Monday Meeting Of Elba City Council

The Elba City Council could be described as "Happy Times," as virtually everything discussed was positive and there was much praise expressed for the record and the public to hear.

Police Chief John White set the tone for the meeting when he expressed his gratitude to the various law enforcement agencies that participated in the recapture of the two escapees from the Coffee County Jail in Elba Saturday morning. He noted his department would always endeavor to recapture any escapee as soon as possible, and the help from other agencies is greatly appreciated.

Rescue squad captain Sonny Inman quoted a bit of Shakespeare when he said, "I come to praise Caesar and not . . ." He expressed appreciation to the city officials for their continued support of the efforts of the rescue squad. He noted they were progressing with their renovation of the old fire station area for use by the rescue squad for housing of the vehicles, including the new \$45,000 ambulance and a meeting room for squad members.

Mayor Bob English spoke on behalf of the entire council and expressed appreciation for the fine

job being done by the members of the rescue squad. He noted that they serve without any pay and that payment on the new vehicle was through charges made by the squad for runs made.

Inman noted the group averaged 1 1/4 runs a day throughout 1985. English told council members he would like their permission to seek bids on some surplus city land with the money going to buy additional land for a landfill and/or off-street parking in the downtown area. He noted that the present trash landfill was fast filling up and additional space was needed.

Property being considered for sale includes some on the bypass, just past Elba Custom Meats; Adkinson Street; Tucker Street and Taylor Mill Road. He explained that when and if bids are taken, they will be with the reservation that if too low, they will all be refused.

English then explained to the council that recent reported incidents of hauling dirt to private residences in Elba were in violation of city policy and said the cases resulted from a lack of communications, and accepted full responsibility.

[See Page 2 - City Council]

Coffee County Jail Inmates Enjoy Only Brief Taste Of Freedom After Weekend Escape

Two escapees from the Coffee County Jail in Elba enjoyed only a brief taste of freedom last weekend as both were captured shortly after climbing over a fence at the downtown facility.

The escapees, identified as Brian J. Voight, age 23, of Elmore, and Timothy David Stubbs, age 17, of Manchester, Georgia, reportedly escaped at 6:10 a.m. on Saturday, Feb. 22, and were back in custody less than six hours later after an extensive manhunt by area law

enforcement officials.

The jailer on duty reportedly saw Stubbs climbing the fence near the rear of the jail and when he went outside to capture the attempted escapee, Voight ran to the front of the jail and climbed over the 10-foot-high gate at the entrance of the jail. Stubbs was able to pull away from the jailer, and both apparently escaped on foot by going over the levee behind the jail. The escapees then swam across the Pea River and made their way into a

heavily wooded area along the river, near the Samson Highway.

Stubbs was spotted by search-dog teams from Atmore at approximately 9 a.m. and was captured at 9:30 when he ran out of the woods and onto the road, three miles from Elba.

Voight was captured at 12:08 p.m. after law enforcement officials surrounded the area the suspect was hiding in, and caught the escapee after a foot race between the suspect and the officials.

Police from Elba, Enterprise, Kinston, Opp, Andalusia and New Brockton aided in the manhunt, as well as Coffee, Covington and Crenshaw County Sheriff's Dept. officials, state game wardens, a state trooper helicopter and the search-dogs from Atmore.

Rogers Is Chairman

Of C.C. Cancer

Crusade

Wendell "Wink" Rodgers has been named chairman for the 1986 Coffee County Unit's fund-raising Crusade for the American Cancer Society.

Mr. Rodgers will lead ACS Volunteers as they strive to reach a Crusade goal of \$25,000.

"Raising money is a most important part of our April drive, but so is cancer prevention," Rodgers pointed out. "As volunteers call on friends and neighbors for contributions, they will also distribute potential life-saving information about cancer."

Rodgers said that money raised by the Society goes toward its three-fold programs of research into the causes and cure of cancer; education of the public on the warning signals of cancer and other preventive measures; and local service to cancer patients and their families.

"The promise of research is so great," said Rodgers, "that the 1986 Crusade will be one of the most important ever. The dedicated people in laboratories, the men, women, and children suffering from cancer today, and our hopes for the future all depend on our willingness to support the cancer fight."

Rodgers concluded by saying that "our goal is clear—we want an end to cancer. As time for our Crusade drive nears, the volunteers of the Coffee County Unit will be asking for contributions to insure that our community does its part in reaching this goal."

The theme of this year's Crusade is "Together, We Are Winning." Anyone who would like to volunteer in this year's Crusade may do so by calling "Wink" Rodgers at the Coffee County Bank, 347-0082.

Card Of Thanks

We wish to express our appreciation for all the kindness expressed during recent illness and death of Mrs. Lena Grimes.

The food, flowers and your many prayers were greatly appreciated.

Capt. John W. Hughes prepares to taxi a WC-130 "Hercules" aircraft down the runway at Anderson Air Force Base, Guam. Hughes is an aircraft commander/pilot. [U.S. Air Force photo by Staff Sgt. Gary Tomoyasu]

Capt. Hughes Is Squadron Commander Of "The Typhoon Chasers"

Story by Cecil B. Newberry

While most people are boarding up windows and businesses in preparation for the fury of a typhoon on this tiny South Pacific island, Capt. John W. Hughes and members of the 54th Reconnaissance Squadron are getting ready to challenge nature's wrath by flying heading into the storm to gather information that will help scientists and meteorologists determine the path and strength of this killer.

Hughes, son of John R. Hughes, Route 2, Scottsboro and Mary N. Elmore, 311 Tremore Ave., Huntsville, is a WC-130 "Hercules" pilot and commander at Andersen Air Force Base, Guam, with the squadron known as "The Typhoon Chasers."

"It is my job to take the airplane and five crew members into the eye of typhoons or hurricanes and return safely. While we are in the storm, the crew is gathering information on wind strength, pressure and exact location of the storm. We pass this information back to the Joint Typhoon Warning Center on Guam. They will then issue warnings to the areas the storm will effect," explained Hughes.

"In addition to my duties in the air, I am the squadron training officer. I must ensure all crew members receive the necessary training to stay current in each of their crew positions."

The Typhoon Chasers' primary objective is to locate tropical storms and report their direction, strength, center location and gather meteorological data.

"We have six WC-130's to fly into storms that provide the Pacific

NURSING HOME SPOTLIGHT

With Shirley Wise

We're visiting Mrs. Mae Stinson Lowery in the "Senior Spotlight" this week; a lively and witty fast-talking lady of 79 years, a lady whose looks belie her age, for she certainly is a young-looking and enthusiastic "79-er."

Miss Mae is a blue-eyed, white-haired lady who was born Dec. 5, 1906, in the vicinity of the Whiteoak Baptist Church Community, to Mr. and Mrs. N.W. Stinson. Mrs. Stinson being the former Miss Emma Devine.

She told us her father was a farmer and she remembers "working on the farm when I was a child, hoeing and chopping and picking cotton—hard work." And, she agreed wholeheartedly with us when we made the observation that most of us—the younger generation of today—do not really know what hard work and hard times are.

She recalled that both her parents were "very strict" — they taught us to obey God's commandments, and her father was a stout-built man and her mother was "little and frail."

Miss Mae had three sisters and two brothers. Two of her sisters are still living and she is very close to them. Her two brothers died as infants.

The sisters are **Commie Clowers**, whose husband is Anton and they make their home in the Chestnut Grove Community; and **Allie Allen**, whose husband is Algon and they too reside in the Chestnut Grove Community. The deceased sister is **Ida Clowers**.

On Aug. 25, 1956, Miss Mae married Mr. Son Lowery, who was living in the Hebron Community at that time. When we looked puzzled and asked her again what year, we thought we had misunderstood her first answer, she repeated "Aug. 25, 1956," and then she laughed and said, "I was almost 50 years old and he was 53!" When asked why they waited so long to marry, she told us he had cared for his mother until her death and that she had cared for her mother until her death, and that was why they were married for the first time for both of them at the ages of almost 50 and 53. We asked how they met and she told us — at a singing at the Hebron Church and they courted for a while and then married.

Mr. Son was born Dec. 29, 1903. He was the adopted son of Mr. and Mrs. Loney (Sara) Lowery. We asked what Mr. Son's real name was and Miss Mae said that WAS his real name, that his parents always called him simply "Son," and that was the name he was given upon his adoption.

Mr. Lowery was a farmer and he and Miss Mae "lived on the old homestead in his late parents' home until we built our own home right up above there."

Mr. and Mrs. Lowery were not blessed with children, much to Miss Mae's sorrow and regret.

Miss Mae loves "Spring, African violets, the color lavender, Christmas," and food: "I don't know — all of it is good. I like to eat!" And hobby? "I love to crochet, grow flowers (she had a pretty fresh-looking African violet on her windowsill and said she has some more, but her sister has them now to re-plant, and I love to keep house." (We felt her forehead to see if she was feverish!)

Miss Mae is a member of the Hebron Baptist Church.

"Yes, I like the nursing home," she said, when asked, and added, "Cause I know this is my place now 'cause I don't have anyone to take care of me. I've got two sisters who love me and help me and take care of me and two brothers-in-law who seem like brothers to me; my sisters are very good to me; they visit me regularly and we're real close. But this is my place now."

Some advice from a wise lady who has survived 79 years on this earth... "Love everybody and put God first in your lives and treat everybody fair. That's what I'd tell everybody." I was taught, and brought up to love everybody.

A wish to come true? "I'd wish for children — I'd like to have had children." When asked how many and whether boys or girls, she laughed and replied, "Wouldn't matter — if they were just healthy."

When asked what she would change in her life, she quickly answered, "I'd have married younger."

Miss Mae also said, "I'd like to be more friendly to people," but we beg to differ — we don't see HOW she could be any friendlier or nicer than she was to us the day we visited her and we're sure we were no exception to her normal behavior. She is a friendly lady all the time.

Shirley attended Chestnut Grove Community School through the ninth grade, then attended Elba for the 10th and 11th grades. She was unable to graduate from EHS, however, as she had to drop out of school.

Personal memories from Miss Mae: We used to go to singings at churches mostly. Sometimes we'd go to candy pullings at different people's houses. I remember Christmas — waking up early and going to see what Santa Claus had left in our stockings. If it be apples, oranges, candy, and a toy of some kind — maybe a doll!

Thank you, Miss Mae, for allowing us the privilege of visiting you and meeting one mighty fine sweet, Christian lady. We really enjoyed it!

***I'd like to insert a word of praise and admiration for the ladies in Elba who FREELY give of their time, and even feed the residents who are unable to feed themselves. Some of them GO EVERY night and others three or four nights; and still others whenever they can. But they all deserve a hand, and I believe they will be richly blessed now, just knowing they have done some good for their fellowman. To me, they are some of America's "unsung heroes."

As there was no "Spotlight" last week, we'll salute these birthday girls this week:

Mrs. Vera Green
Mrs. Nora Jones
Happy birthday ladies!

***My little thought for the week (which was for Valentine week) and was inadvertently left out, is still appropriate for any time, so here it is now:

A hug is the perfect gift — one size fits all — and nobody minds if you exchange it.

Toastmasters Club Announces Winners

Roy Fuller was voted "Best Speaker" at the regular bimonthly meeting of the Elba Toastmasters Club, according to D. M. English, president. The winner's speech title was "Me."

The best extemporaneous talks were given by Dud English, who spoke on "Honesty in Government," and Gladys Yelverton, who spoke on "Should We Have a President's Day?" The best evaluator was Bob Prichard. Angie Akin was in charge of the program.

The Toastmasters program provides opportunities to develop skills in listening, thinking, speaking and leadership, by participating in a series of oral communication projects, constructive evaluation, and leadership experience.

The club meets each first and third Monday evening at 7 p.m., in the conference room of the Elba Public Library.

For more information, call Bob Prichard at 897-3683, or 897-2057.

Rhonda Senn Is Inducted Into Honor Society

Rhonda Meschelle Senn, a freshman at Troy State University, has been inducted into Alpha Lambda Delta, national honor society.

She is the daughter of Mr. and Mrs. Roy Dean Senn, Brundidge. Alpha Lambda Delta is a national scholastic honor society for freshmen which was founded at the University of Illinois in 1924. Election to membership requires a 2.5 overall grade point average on a 3.0 scale and 3.5 overall grade point average on a 4.0 scale.

She attended Chestnut Grove Community School through the ninth grade, then attended Elba for the 10th and 11th grades. She was unable to graduate from EHS, however, as she had to drop out of school.

Personal memories from Miss Mae: We used to go to singings at churches mostly. Sometimes we'd go to candy pullings at different people's houses. Views From

The Pressbox

By Ricky Mularz, Editor

I've been to the state basketball tournament for the past 12 years and have seen every team in the county compete except Elba and Zion Chapel. Well, this is the year for the Tigers and the Rebels to take the spotlight, and you can bet I'll be there again!

ELBA TIGERS TAKE TITLE HOPES TO TUSCALOOSA

Back before the start of the basketball season a lot of people thought this year's Elba Tigers had a very good chance of making it to the state tournament. After all, the same players made the state junior high tournament as freshmen, and this time around Kevin Goosby was on the squad. It wasn't easy, however, the Tigers did make it to state, and Friday morning will carry their title hopes to Tuscaloosa for an opening round matchup against Brooks. To make it to state is an honor, to win is icing on the cake; so the 1985-86 Elba Tigers are already big winners!

After rolling up lopsided wins over Andalusia, New Brockton and Pike County the Tigers were bound to have a letdown and it came against Ashford. But Elba woke up late and pulled out the hard-fought win. Elba went through the motions for three quarters against a very good team and had to reach down deep to find the willpower to pull it out. Against Evergreen the Tigers faced the top team in west Alabama, and after a hard week of practice Elba was more than up to the challenge. Elba played well all game long and deserved to win!

The two sub-state wins were complete team wins as everybody chipped in to play important roles. Elba does have a standout in Kevin Goosby, but the key to the team is how the other players perform, because Goosby is often double- and triple-teamed by opposing defenses. It takes a team to win and that's just what the '86 Tigers are - a team - in every sense of the word! Congratulations to all the players and coaches for a super season, and best of luck at the state tournament!

CLASS 2A SUB-STATE ACTION PROVIDES TWO BIG SURPRISES

It came as no surprise that both New Brockton and Zion Chapel made it to the sub-state tournament; however, the sub-state results were surprising - no more like shocking!

Zion Chapel suffered through a losing streak late in the season and saw its record drop to 7-12, and most thought the Rebels had finally bitten the dust after a roller-coaster season. Well, Coach Jerry Barnes and his team took each loss as a learning process, and since that time have reeled off five straight wins and a sub-state title that earned them a spot in this week's state tournament. For the first time in the school's history the Zion Chapel Rebels are in the state tournament, and I'm not sure for what reason. Zion Chapel had a tough year with a lot of personal difficulties, but overcame all the problems and now are headed for the state tournament. It's not a fluke - it's a result of hard work and dedication!

New Brockton was considered a shoo-in for the state tournament after returning all five starters from last year's state tournament squad, but the Gamecocks fell one game short and are sitting home this week as the annual event begins. The Gamecocks played well, but a tremendous amount of pressure all year long, and every team on their schedule looked forward to the chance of knocking them off; however, Coach Bobby Kinsaul's team still managed to post 21 wins and only an upset in the sub-state tournament kept the talented squad out of the state tournament. It's hard to win when you're supposed to, but the Gamecocks did it all season long and deserve a lot of credit for a fine season!

THE "NO PASS, NO PLAY" RULE NEEDS A LITTLE WORK

A state legislator introduced a "No Pass, No Play" bill at Montgomery last week and I think that while the idea isn't all that bad, the wording needs a lot of refining! I agree that a student goes to school to get an education and that the students' grades should come first; however, the proposed plan submitted last week needs to be amended to lengthen the grading period. To say a student has to sit out six weeks if he fails to pass all his subjects isn't good, because a student who plays only one sport could simply buckle down, two six weeks a year and still play in his sport.

I think the Alabama High School Athletic Association could alter its current academic standards and require students to pass four required courses instead of three, but the association's method of punishment needs no change. If a student is eligible at the first of the year he should be allowed to play all year; if he isn't eligible at the opening of school, keep him out of all sports and let him hit the books.

I think we need to keep politics out of the classroom and out of athletics. The Alabama High School Athletic Association has done a good job of policing its members for many years and I have all the confidence in the world in its ability to keep doing so!

ASA To Conduct State Softball Rules

Clinic On March 8 In Dothan

The Alabama ASA will conduct its annual softball rules clinic on Saturday, March 8, at Westgate Park in Dothan. The clinic will begin at 9 a.m., with registration to begin at 8 a.m. All umpires are urged to attend, as well as all players and managers.

The clinic will consist of a morning and an afternoon session and all attending should make plans to attend both sessions. A small admission fee will be charged.

Earn Spot In State Tournament

Elba Tigers Roar Past Evergreen 72-63

The Elba Tigers pulled out to an early 4-0 lead and were never headed last Friday night as they defeated the Evergreen Aggies 72-63 in the finals of the Class 4A, sub-state basketball tournament.

The win upped Elba's record to 15-4 and earned the Tigers a spot in this week's state tournament at Tuscaloosa, while Evergreen ended the season with a 23-5 slate.

Elba's Kevin Goosby scored two baskets to give the Tigers a 4-0 lead with 6:48 left in the first quarter, a lead the Tigers would never relinquish!

The highly-touted Aggies closed to within 1 point three times in the stanza, but never could catch Elba, and a short jumper by Art Brunson gave the Tigers an 11-8 advantage after one quarter of play. Mick Phillips hit on two long jumpers early in the second quarter to put the Tigers ahead 15-10; however, Evergreen kept the pressure on the home-standing Tigers and closed the gap to 21-10 with 3:26 left in the half. A dunk by Goosby stretched the lead to 23-20.

Mick Phillips and Phillips combined for 7 points in the final 2:13 of the quarter to give the Tigers a 30-22 halftime advantage. Elba moved out to a 9-point lead by the second half, but

Evergreen again came battling back and cut the Tigers' lead to 37-35 with 4:34 left in the third stanza. A putback by Goosby gave the Tigers a 39-35 lead, and late in the stanza Mike McCollough sparked an Elba outburst that saw the Tigers move out to a 49-39 lead!

The Elba lead shrank to 49-44 with 7:50 left in the game as Evergreen staged a rally; but a bucket by Goosby and a three-point play by Mick Phillips quickly upped the lead to 54-44 and the Tigers hit on 6 of 7 free-throws down the stretch to ice the win and the Tigers' first trip to the state tournament since 1964!

Kevin Goosby scored 25 points and grabbed 15 rebounds to pace Elba, while Mick Phillips added 18 points and Derek Young scored 11. James Harvey scored 15 points for Evergreen and Ronnie Smith added 14.

EL 11 19 19 23 - 72
EV 8 14 20 21 - 63

Elba (72): McCollough 8, Phillips 18, Goosby 25, Osburn 8, Young 11, Brunson 2.
Evergreen (63): Harvey 15, Meeks 4, McMillan 13, Smith 14, A. Crosby 12, J. Crosby 2, Stallworth 3.

Fourth Quarter Rally Lifts Elba Tigers

To 67-60 Sub-State Win Over Ashford

The Elba Tigers staged a furious fourth-quarter rally to post an exciting 67-60 win over the Ashford Yellowjackets, last win in the opening round of the Class 4A Sub-State tournament.

Elba took a quick 2-0 lead on a slam-dunk by Kevin Goosby, but Ashford pulled even just as quickly and used an aggressive trapping defense to lead throughout the stanza.

Elba cut the lead to 18-17 late in the quarter behind the play of Goosby and scored almost every trip down the court in the second stanza, only to suffer numerous backcourt turnovers that allowed Ashford to take a 39-34 lead in at the half.

The third quarter was a complete rev. of the first two as both teams went cold from the floor and scored only 8 points apiece. Ashford remained in control early

Elba To Challenge Brooks Lions In

Opening Round Of Class 4A State

The Elba Tigers will continue their quest for the Class 4A state basketball championship on Friday morning, Feb. 28, when they challenge the Brooks Lions in the opening round of the state basketball tournament, to be held at Memorial Coliseum on the campus of the University of Alabama.

The game will begin at 10:30 a.m. and will be the second game of the morning session. Brooks, which boasts a 23-5 record, is reportedly a good outside shooting team that relies on the ball handling of 5'10" guard Max Barnett, and the inside strength of 6'6" center Patrick Hughes.

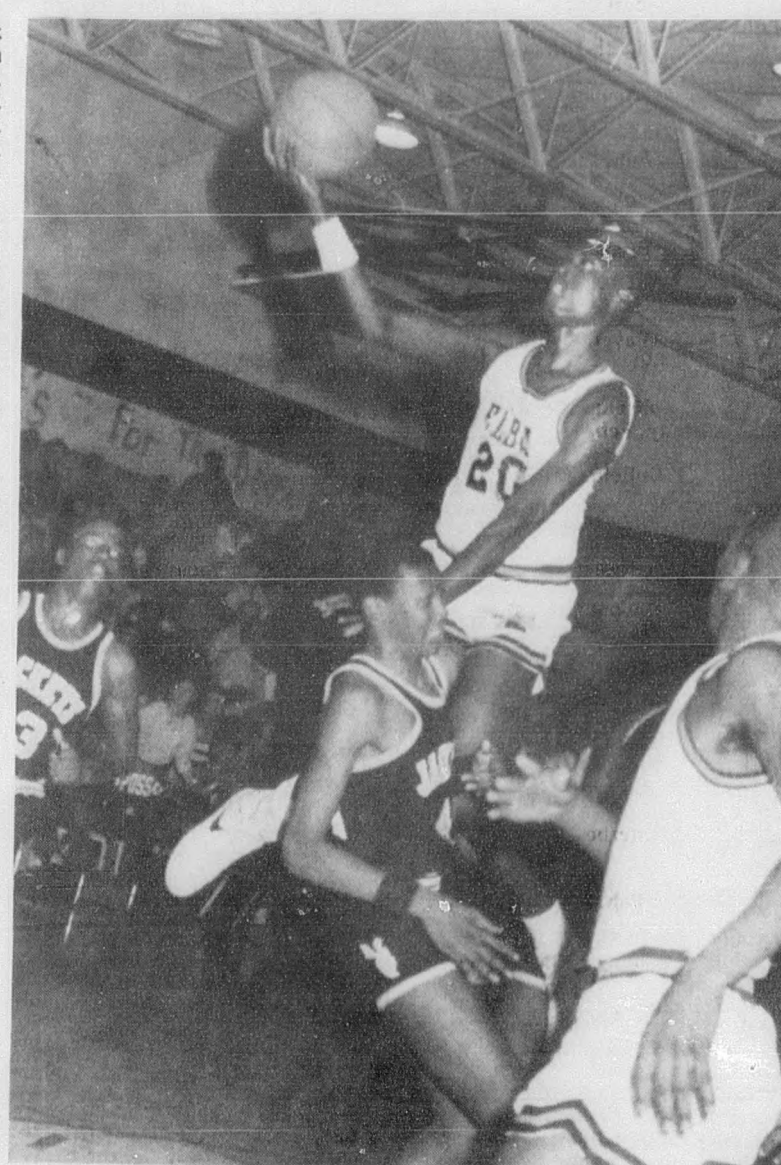

Scouting reports indicate the Lions like to work the ball on offense for a good shot and are an outstanding free-throw shooting team, while on defense they like to play man-to-man and also use a match-up zone.

"Brooks has a mighty good team

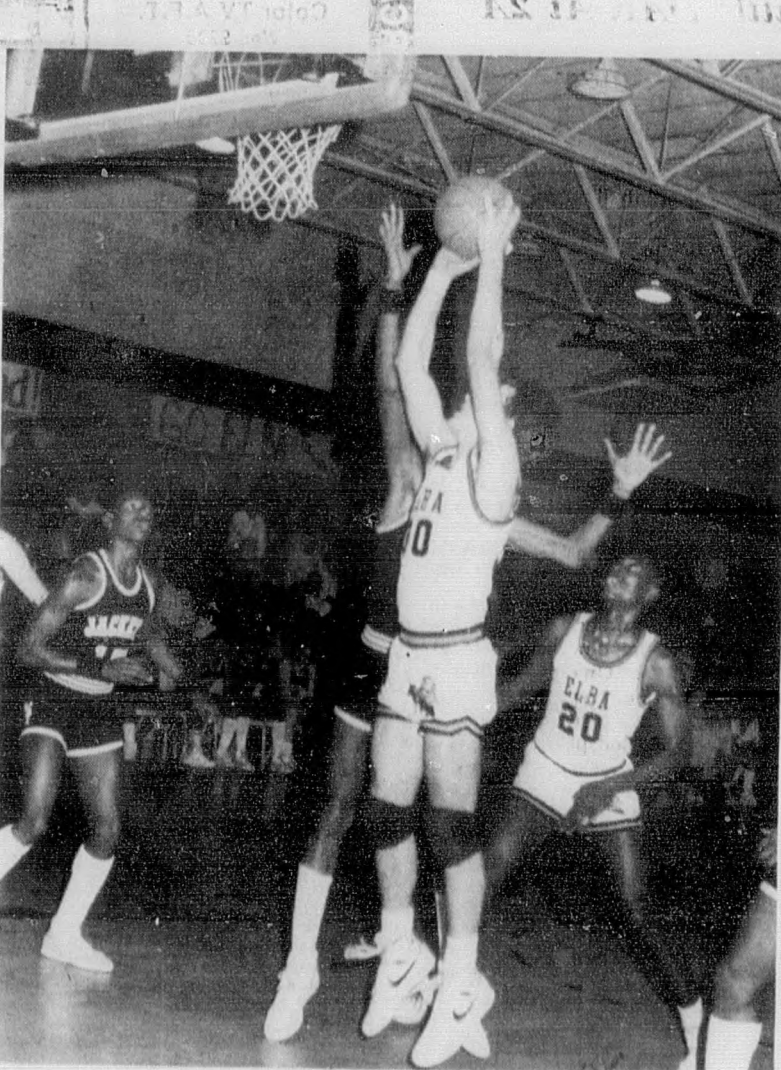

that is well-coached and doesn't make mistakes," said Elba's Coach Hank Kennedy. "On offense they'll be deliberate and try to get an open shot, while on defense they'll put the big kid in the middle and really get after you. Brooks definitely deserves to be at Tuscaloosa!"

"We plan to open up in a man-to-man defense and also use our half-court trap in an attempt to speed up the game," added Kennedy. "We must set the tempo or they'll sit back and gun you out. When we get the ball we'll try to kick it out and go. We want to play an up tempo game and make them run up and down the court."

"I feel pretty good about the game," said Kennedy, "and the key will be to be ready when we hit the court. I've seen a lot of good teams lose in the opening round because they weren't ready, so that will be something I think we'll overcome."

GOING UP FOR 2... Elba center Kevin Goosby (20) goes over a would-be Ashford defender as he lays in a 2-point shot in the Tigers' 67-60 sub-state win. Goosby, a senior, scored 23 points to lead Elba to the win.

OSBURN GETS INSIDE... Elba forward John Osburn (30) gets inside the Ashford defense and goes up for an easy bucket in the Tigers' 67-60 win last week. Osburn scored 9 points in the victory and helped spark a fourth quarter rally that sealed the Elba win.

National ASA Softball Umpires' Test To Be Given In Elba On Sunday, March 9

The Amateur Softball Association's National Umpire's Test will be given in Elba this year. A fee of \$18 will be charged. For more information call Ricky Mularz at 897-5977.

Zion Chapel To

Battle DAR At 2A

State Tourney

The Zion Chapel Rebels will be making their first appearance ever at the State Basketball Tournament today (Thursday) when they battle the top-ranked Patriots of Kate Duncan Smith-DAR at 10:30 a.m. in the opening round of Class 2A action at Auburn University.

DAR will bring a 27-4 record into the contest and is ranked No. 1 in the state, with wins over such powers as 6A Butler, 3A Oneonta and 1A Holy Family, all of which are competing at this week's state tourney!

"Everybody I've talked to says that DAR has an outstanding team with loads of talent," said Rebel Coach Jerry Barnes, "and we know we've got our work cut out for us! On offense they're all real good shots and good ball handlers, and they love to run up and down the court whenever possible. On defense they are real aggressive, trap, press and try to cause a lot of turnovers. DAR has good depth, good players and a very good team."

"We know that nobody gives us much of a chance," added Barnes, "but nobody thought we'd make it to state anyway! If we're going to have a chance, we'll have to be patient and deliberate on offense and not make any mistakes on defense. It's going to be a tough game, but we'll be loose and give it our best shot."

Holley Is Named

Basketball Coach

At Zion Chapel

Wayne Holley, a graduate of Kinston High School and a coaching veteran of nine years, has been named the new head basketball coach at Zion Chapel High School.

Holley graduated from Kinston in 1967, and as a senior led the Kinston basketball team to the state championship. He attended Enterprise State Junior College and Phillips University in Oklahoma.

Holley has coached at Temple (Ok.) High School for the past nine years, compiling a career record of 136 wins and 66 losses. He was named Area Coach of the Year in 1984 and last season led his team to the district championship.

Holley will also be an assistant football coach at Zion Chapel.

Watch next week's ELBA CLIPPER for complete state tournament coverage of the Elba Tigers and Zion Chapel Rebels.

Good Luck To Elba & Zion Chapel At The State High School Basketball Tournament!

"NOW FINDING A DOCTOR IS AS SIMPLE AS MAKING A PHONE CALL."

Do you have a personal physician?

Three of every 10 Americans do not. These individuals may be newcomers in town. Or long-time residents who simply have never gotten around to finding their own family doctor. The fact is, most people don't think about medical care until they need it. Then, when they do, they're left to search through the telephone directory trying to locate a doctor who will accept new patients.

Selecting a personal physician is too important to leave to chance — or to the last minute. That's why we developed Physician Information Service™. It's a simple, better way to find a doctor for you or your family. And it's as close as your telephone.

Introducing Physician Information Service™

Physician Information Service was designed to help you find a doctor before you need one. We can provide you names of physicians to serve the needs of everyone in your family — from infants to grandparents. Just call the number below.

Remember, Physician Information Service was not created for emergencies. If you require immediate care for an illness or injury, your hospital Emergency Department is the best place to go.

Everyone should have a personal physician.

Having your own physician is important for many reasons. A doctor who knows you and your medical history is better prepared to diagnose and treat you for any type of illness or injury.

Having checkups regularly when your physician recommends them is a good idea, too. They can alert your doctor to insidious diseases, which may be present without any obvious symptoms — such as high blood pressure, diabetes, anemia or low blood sugar. Your physician can also help you develop a personal plan to maintain your good health and overall fitness.

Don't wait until you need a doctor — call us now. Taking care of your family's health care needs is as simple as making a phone call.

This message presented as a public service.

Zion Chapel 73
Houston Co. 72

Kenny Ray Evans grabbed a missed shot with :02 left and scored on a put-back at the buzzer to lift the Zion Chapel Rebels to a thrilling 73-72 win over the Houston County Lions, last week at the Rebel gym. Houston County came out red-hot and jumped out to a quick 10-2 lead, only to see Zion Chapel rally behind the play of Kenny Ray Evans to pull within 24-20 by the end of the opening stanza. The Rebels were able to slow down the pace in the second quarter and got easy buckets against the Lions' press as they caught Houston County late and went in at the half with a slim 37-36 lead.

The two teams swapped buckets early in the third quarter and the Lions opened up a 43-39 lead midway through the stanza, but the Rebels refused to quit and battled to pull within 50-49 heading into the final stanza.

Houston County stretched its lead to 58-53 with 5:04 left in the

game and it looked like the Rebels were in trouble; and when the Lions took a 67-61 lead with only 2:53 left to the state tournament for the first time in the school's history.

The two teams came out playing a similar style of play as both teams were content to work the ball for high percentage shots. The Rebels used their slight height advantage to pull out to a five-point lead at the half, only to see Millry rally and take a four-point lead late in the game.

Zion Chapel caught the visitors near the end of the game and had a chance to win in regulation, but a missed layup kept the score tied and sent the game into overtime.

Millry controlled the tap in overtime and held the ball the entire stanza, working for what it hoped would be the winning shot. The late shot missed, however, and the game went into a second overtime period.

Zion Chapel scored four quick points in the second extra period and never looked back, to claim a spot in this week's state tournament!

Timmy Haynes scored 24 points to lead Zion Chapel, while Kenny Ray Evans added 11. Fred Reason and Ken Rogers scored 20 points each for Millry.

Timmy Haynes scored 24 points to lead Zion Chapel, while Kenny Ray Evans added 11. Fred Reason and Ken Rogers scored 20 points each for Millry.

Timmy Haynes scored 24 points to lead Zion Chapel, while Kenny Ray Evans added 11. Fred Reason and Ken Rogers scored 20 points each for Millry.

Timmy Haynes scored 24 points to lead Zion Chapel, while Kenny Ray Evans added 11. Fred Reason and Ken Rogers scored 20 points each for Millry.

Timmy Haynes scored 24 points to lead Zion Chapel, while Kenny Ray Evans added 11. Fred Reason and Ken Rogers scored 20 points each for Millry.

Timmy Haynes scored 24 points to lead Zion Chapel, while Kenny Ray Evans added 11. Fred Reason and Ken Rogers scored 20 points each for Millry.

Timmy Haynes scored 24 points to lead Zion Chapel, while Kenny Ray Evans added 11. Fred Reason and Ken Rogers scored 20 points each for Millry.

Timmy Haynes scored 24 points to lead Zion Chapel, while Kenny Ray Evans added 11. Fred Reason and Ken Rogers scored 20 points each for Millry.

New Brockton Falls In Sub-State Finals

The New Brockton Gamecocks saw their plans for a second straight trip to the Class 2A State Basketball Tournament fall one win short last week as the Gamecocks were upset by Red Level in the sub-state finals.

Following is a recap of the Gamecocks' sub-state action:

New Brockton 62
Goshen 54

New Brockton pulled out to an early lead and held on to claim a 62-54 win over the Goshen Eagles, despite hitting only 24 of 46

free-throws.

The Gamecocks came out ready to play and sparked by the scoring of Kenneth Deetion and Laymon Hornsby pulled out to a big 21-7 first quarter lead.

Goshen began to warm up in the second stanza and crept within 31-25 at the half, but New Brockton regained command in the third quarter as Hornsby took control inside.

The Gamecocks had countless chances to pull away in the final stanza, but couldn't convert at the foul line and held on to post the win. Laymon Hornsby scored 26 points and grabbed 13 rebounds to lead New Brockton, while Stefan Knox scored 11 points and Kenneth Deetion added 10. Also scoring were Keith Patterson - 8, and Darrell Reynolds - 7. Charlie Sankey scored 15 for Goshen and James Guice added 14.

Red Level 54
New Brockton 50

The Red Level Tigers outscored New Brockton 7-0 during a one-and-a-half-minute span late in the game and held on to upset the Gamecocks 54-50, at the New Brockton gym in the finals of the Class 2A sub-state tournament.

The loss ended the season for New Brockton and left the Gamecocks with a final record of 21-6, while Red Level advances to the state tournament with the win.

The Gamecocks came out playing a deliberate style of play due to a

gimmick defense aimed at stopping New Brockton big man Laymon Hornsby, while the defense did its job on the 6'6" Hornsby, it left Kenneth Deetion free to roam, and the talented senior forward poured in 16 first-half points to spark the Gamecocks to a 26-24 halftime advantage!

The two SEAC rivals swapped buckets for much of the third quarter as neither team could take the upper hand; however, Red Level moved ahead at the buzzer on a long desperation shot and the shot may have been a warning to New Brockton fans to watch out for things to come!

Red Level stretched its lead to 41-37 early in the final quarter and led 43-39 midway through the stanza, only to see the Gamecocks rally to tie the score at 43-43 with 3:48 left on the clock. The rally came to a sudden stop, however, as Red Level ran off seven unanswered points to take a big 50-43 lead with one minute left.

New Brockton never gave up and battled until the final buzzer, but at the buzzer the Gamecocks were still behind and their hopes of a state tournament berth were ended!

Kenneth Deetion scored 22 points to lead New Brockton, while Hornsby was held to only 8. Ruland Hall led Red Level with 13 points and Olan McGhee added 12.

Jazz & Hawks Win In Youth Action

The Youth Basketball League continued its season last week with the Jazz and Hawks posting wins. All four teams are now tied with 2-2 records, with two weeks remaining on the schedule.

Jazz 17
Nets 15

The Jazz pulled ahead in the fourth quarter and held on to clip the Nets 17-15. Scoring for the Jazz were Jamie Bass 9, Robin Stinson 2, Derrick Deal 2, Chris Lindsey 2 and Kyle Padgett 2. Scoring for the Nets

were Todd Killingsworth 7, Troy Fillingim 3, Chad Dawkins 3 and James Culver 2.

Hawks 29
Lakers 28

The Hawks scored the only point in overtime to edge the Lakers 29-28. Scoring for the Hawks were Shaw Diehl 11, Scotty Hooks 6, Phillips 6 and Rob King 6. Scoring for the Lakers were Joe Johnson 10, Kyle Dubose 6, Tommy Young 6, Chris Tyson 4 and Terry Goosby 2.

Fob James Unlocked Education In Alabama

We And Helped Open The Future

Before Fob James was governor, many Alabama school children were locked out of learning.

They were far below the national average in basic learning skills. And many were graduating from high school unable to read and write on an adult level.

These are the hard facts. But hard facts can't begin to explain the anguish of finding out that a poor education has snuffed your future shut.

Fob James gave our children the learning keys they needed for better jobs and better lives.

He increased school funding and required new teachers to be tested before entering the classroom.

Most important, he ordered regular testing of students to help educators measure real learning progress.

After just two years, Alabama children met the national average on their learning achievement tests.

For the first time in history. A new generation of children is being taught in our schools. They also need the vital learning keys.

And they need a governor who knows that the heartbeat of a poor education is a lesson learned too late.

HORTICULTURE TIPS

DAN J. PRESLEY
COUNTY AGENT

PRUNING PEACHES

Peach trees should be pruned just before they start blooming. This will be within the next two to three weeks. In pruning peach trees, you want to open up the middle of the tree to let sunlight in. If you are pruning young trees, select four or five good scaffold branches.

These steps will serve as a guide in pruning peach trees:

1. Remove dead, diseased and weak wood and interfering branches.

2. Keep center of tree open by cutting back to a branch growing outward. Remove upright growth unless needed to fill in a blank space.

3. Keep trees within bounds by cutting main scaffold branches back to a lateral growing in the same general direction as the scaffold branches.

4. Balance pruning and fertility to maintain a good supply of annual growth 18 to 24 inches long for the next year's crop.

EARLY GARDEN CROPS

Turnips, beets, mustard and radishes are good early crops for your garden. Auburn's Extension Gardening Specialist, Dave Williams, explains that these crops are slightly cold tolerant and are usually planted in February.

Start planting dry bulb onions and potatoes about Valentine's Day or as soon after as weather permits. Onions are fairly cold tolerant. Potatoes usually come up after the danger of cold is past.

Set onions on a slight bed and space them about four inches apart in the row. Onions do not make large tops, so rows can be as close as 14 inches apart. Leave enough room between rows to weed the crop.

POTATO PLANTING

Now is the time to start the spring garden with potato plantings. You need to cut seed pieces so each has two eyes and weighs about one and one-half ounces. If cold kills the first eye, the second will sprout and save a replanting.

Drop seed pieces about ten inches apart in 36 inch rows. Cover them about 4 inches deep and work the soil toward the row as the season progresses.

Irish potatoes require a lot of fertilizer to produce well. Apply 3 quarts of 8-24-24 at planting per 100 feet of row and then side dress with 3 quarts of 13-13-13 at first cultivation. The first fertilizer should be placed 1 inch below and 3 inches beside the seed potatoes.

LAWN DETHATCHING
Heavily fertilized Bermuda and Zoysia grass lawns need dethatching every year. Thatch can become a problem if it is allowed to build up. Thatch is the clippings that drop to the ground and do not rot.

A one-fourth to one-half inch layer of thatch can prevent water from penetrating and also fertilizer from going down. This also provides a good medium for disease to get started. Therefore, this is why it is

recommended that this thatch be removed when it begins to build up. Thatch can be removed by vigorous raking, or there are machines that you can rent that will throw this thatch up so that it is easy to rake.

The question always comes up this time of the year about burning this thatch. Burning a lawn removes very little of the thatch. It just burns the top of the grass. Burning creates problems because of the tracking in of the ashes and soil into the house. There might be a slight advantage with burning as it might kill some of the disease organisms that are on the grass.

There is not easy way to remove the thatch. But for the lawns to look its best, thatch needs to be removed.

HOUSEPLANTS
Sterilize potting soils. Weeds, diseases and nematodes are some of the worst enemies of the houseplant. One way to fight these soil problems is the sterilize the soil. This should be done for all soils, whether you buy it or get it from your garden.

One of the easiest ways to sterilize soils is to bake it. Place the soil about 2 inches deep in a pan and put an Irish potato on top. Put this in the oven and bake it as you would bake a potato.

When the potato is done, the soil

should be sterilized. While baking, the soil will release an odor, but this will not hurt your oven. It will easily air out and disappear. Let the soil cool after it is sterilized.

When sterilizing, heat only the soil. Don't mix the soil with peat, perlite, vermiculite or any other additive before sterilizing. After the soil has cooled, mix the other additives with it to form the potting mix that will be used to pot your houseplants.

There is not easy way to remove the thatch. But for the lawns to look its best, thatch needs to be removed.

Larry Pope Wins Award

Larry Pope of Elba, agent for Farm Bureau Insurance has received the Agent Of The Year-First Runner Up award for 1985. The award was presented by company president Goodwin Myrick at the company's annual awards program in Montgomery on February 13.

Pope has served as Farm Bureau

agent for 2 1/2 years and maintains an office at 837 N. Troy Hwy., in Elba. He represents the company's full line of insurance for auto, home, family and business.

A native of Coffee County, Pope is married to the former Deborah Henson, of Elba and they have two children.

ALL AROUND COFFEE COUNTY

THOMAS C. CASADAY
COUNTY AGENT

NEW SERVICE

In the next few days we hope to have an in-coming watts telephone line to the extension office in New Brockton. When this line is put in, individuals can call us toll-free from any place in the county and surrounding areas. In addition, we will have an out-going watts line which will enable us to talk to people in the county at no charge.

This communication system was made possible by the Legislature and will enable all of us to communicate rapidly and without having to pay the individual long distance fee. Just as soon as I know the new number, I will notify homemakers and farmers. We are appreciative of the help given the Extension Service by Representative Jimmy Holley and the Alabama Legislature in making this valuable service possible.

BEEF CALF SHOW
Ben Moates, President of Coffee County Cattlemen's Association, sent this letter Friday to members of the association. "Plan to enjoy Saturday afternoon, March 1, watching the Coffee County 4-H and FFA Steer Show. The show will begin at 2 p.m. and should be held at the Coliseum Farm Center in New Brockton."

We hope that you will plan to support these young people in their beef projects. Your officers and directors will be serving hamburgers for your enjoyment near the end of the show. Come and bring the family to this youth livestock event."

PEANUT MARKETING

We have a special peanut marketing meeting set for Tuesday night, March 4, at the Farm Center

In New Brockton. The marketing program which will begin with a Bar-B-Que dinner at 6:30, has been arranged to discuss the 1986 Peanut Marketing situation.

Folks appearing on the program include Charles Coker, GFA Marketing Association of Camilla, Georgia; Humnick and Associates of North Carolina; James E. Mobley, President of the Alabama Peanut Production Association; Randy Griggs, Executive Director Alabama Peanut Association.

The dinner meeting is sponsored by the Coffee County Farm Bureau. I urge all peanut growers to meet with us in the Community Room in New Brockton at 6:30 for this important marketing meeting. Remember the date is Tuesday night, March 4.

PLANT SOON
In a little over a month you can begin planting snap beans. They can be planted beginning after mid-March. Some of the best varieties for home use are Contender, Harvester, Topcrop and Green Crop.

Beginning about the first of April you can plant pole beans, and the best varieties are Dade, McCaslin and Kentucky Wonder 91. Butter beans or lima beans can be planted at the same time. Recommended varieties of limas are Fordhook 242, Henderson, Jackson Wonder and Thorogreen.

CROP BUDGETS
We have received from Dr. Lavan Johnson of Auburn copies of the 1986 budgets for row crops produced in our area. We have budgets on corn (both dry land and irrigated), cotton, skip row cotton, peanuts, soybeans, wheat followed by soybeans, grain sorghum and no-till soybeans.

If you are interested in any of these budgets, call us at 894-5596

and we will put copies in the mail to you.

COMMERCIAL TOMATOES

Interested in growing tomatoes for the commercial market? We have a new bulletin entitled "Commercial Tomato Production", which was written by Dr. Mason Marvel. This bulletin gives easy-to-follow information on soils, varieties, lime and fertilizer, spacing, chemical weed control, irrigation, plastic mulch, disease, insect and nematode control, and harvesting. It is an excellent bulletin just off the press. If you will get in touch with us, we will send you a copy.

FFA Project Of The Week

Mike McCollough

Mike McCollough is shown here with a grandfather clock he made from alder wood. Mike's clock parts were ordered, but he designed and built the cabinet himself. The clock is a very advanced project and takes time and skill to be done—as well as Mike's is.

FFA REPORTER, PATRICK NORRIS

A Lamp Unto My Feet

BY: MARTY HARRELSON

"Thy work is a lamp unto my feet, and a light unto my path." (Psalms 119:105)

In today's world many decisions are to be made. More reliable decisions are derived after God's will is considered. In order to know the will of God we must know His word. When we use God's word to our benefit, we can be guided down the darkest paths of life. For no matter what road we travel, God has the ability to make our journey much smoother.

We should all read and study the word of God and let His lamp guide our lives.

MacArthur Grad Is Best In The Business

Eddie Carmichael, Diesel Mechanic
Wiley Sanders Truck Lines
MacArthur Graduate

According to Jerry Ford, terminal manager at Wiley Sanders Truck Lines in Albany, Georgia, Eddie Carmichael is recognized throughout Alabama, Florida, Georgia, and Tennessee as one of the best diesel mechanics in the business.

"He's known far and wide by drivers up and down the line. Everyone wants to get to Albany to let him work on their truck. I can't say enough good things about Eddie. He's a great mechanic and probably one of the best workers I've ever seen. You can't beat him, that's for sure."

Cooperative Education Spotlight

The Cooperative Education Program at Elba High School features four students: Kim Boutwell, Lorri Morris, Tawana Nelson, Pam Windham, and Dorsey Trailers. These students are pictured with Mrs. Ann Ammons, Mrs. Cindy Reeves and Mrs. Vivian Manning.

Kim Boutwell, a junior, is the daughter of Mr. and Mrs. Gerald Nelson. Tawana has been employed since August 13, 1985.

Lorri Morris, a senior, is the daughter of Mr. and Mrs. C. E. Morris and has been employed since August 14, 1985.

Tawana Nelson, a junior, is the daughter of Mr. and Mrs. Gerald Nelson. Tawana has been employed since June 3, 1985.

Pam Windham, a junior, is the daughter of Mr. and Mrs. George Windham. Pam has been employed since June 3, 1985.

The environment in which these students are employed has made for an enjoyable work experience, thus providing encouragement to each of them as they continue to pursue their

Annual Lowndesboro Pilgrimage & Antique Show Set For March 14-16

Southern hospitality awaits visitors during the 19th annual Lowndesboro Pilgrimage and Antique Show to be held March 14, 15, and 16, 1986. Included in the tour are Rosewood, home of Mr. and Mrs. Oscar Williams; Wildwood, home of Mr. and Mrs. Robert S. Dickson, III; The Pines, country home of Mr. and Mrs. James Ward;

and Deer Haven, home of Mr. and Mrs. Robert Parker. These homes have never been opened to the public.

The tour hours will be from 10 a.m. to 4 p.m. on Friday and Saturday and 12 a.m. to 5 p.m. on Sunday. Morning prayer will be held at 10 a.m. Sunday at St. Paul's Episcopal Church. Visitors are

invited to attend. Lunches will be served daily in the Tearoom located in the Lowndes Academy lunchroom.

The Antique Show will display the collections of many well-known dealers from throughout the South. This event will be located in the gymnasium and the hours are from 10 a.m. to 4 p.m. on Friday and Saturday and 11 a.m. to 5 p.m. on Sunday. Margaret Farris, noted Montgomery sculptress, will be demonstrating her work with native Alabama clay.

A country store will offer home-made delicacies, plants and crafts. In addition to the private homes, four Lowndesboro's historic churches will be included in the tour, as well as an early 1800's cemetery still being used by the local community.

The village of Lowndesboro, nestled in the bend of the Alabama River, provides a romantic setting for the architectural showplaces built in the early 1800's by wealthy planters. It was settled by thirteen families in 1815. Within a mile or so is a collection of some of the finest plantation homes in the state, ranging from raised cottages to magnificent Greek Revival mansions.

This plantation community has changed little since the Civil War when the nineteenth century and is one of the most picturesque pre-Civil War settlements in the state. Lowndesboro prospered because of its proximity to the river and the reign of King Cotton.

It is said that Lowndesboro's homes survived the Civil War when a local physician was able to convince the Yankee raiders on a march from Selma to Montgomery that a small-pox epidemic was raging.

Following the war, Lowndesboro never returned to its original prosperity, yet much of the visual Old South lingers and many traditions are still continued.

Lowndesboro, a member of the National Trust for Historic Preservation, is located at the intersection of Highways 80 and 97, twenty miles west of Montgomery.

For groups of 15 or more, advanced tickets are available at reduced rate. Children under 12 are admitted free. Tickets will be on sale during the Pilgrimage at the ticket booth located at the entrance into Lowndesboro on Highway 80. For additional information, contact Mr. A. T. Howard, Lowndesboro, Alabama 36752, phone 205-278-3322 or Mrs. Robert S. Dickson, III, Lowndesboro, phone 278-3383. For tickets, contact Mrs. George McCurdy, III, Lowndesboro, phone 278-3328.

Commission On Outdoors To Hold Hearing In Andalusia

The Governor's Commission on Outdoors was established by Governor George C. Wallace on December 18, 1985. The Commission, as noted in earlier news releases, is charged with addressing the following questions:

1. What recreation resources will be in demand during the next generation? 2. What are the roles and responsibilities of the various recreation providers in meeting projected demands? 3. What is the current supply of appropriate places for outdoor recreation opportunities? 4. What are the major issues or problems currently facing outdoor recreation providers and what steps must be taken to correct them? 5. How best can we finance what is needed.

Conservation Commissioner John W. Hodnett announced earlier that the Commission will hold hearings in 12 cities throughout Alabama to accept oral and written input from the public. The place, date and time for each meeting has been established and further information is available from State Parks Recreation Planning and Grants Programs Supervisor Jon C. Strickland at 261-3154.

The public hearings, all to convene at 6:30 p.m., include: Dothan-March 4 Civic Center, 3rd floor Museum Area, 126 S. Saint Andrews St.; Andalusia, March 5, Scher Memorial Building, Opp, Avenue across from City Hall.

Maj. Duhaime Receives 4th Army Award

Maj. Jimmy R. Duhaime, son of John R. and Mary E. Duhaime of Route 1, New Brockton, Ala., has been decorated with the fourth award of the Army Commendation Medal at Fort Bragg, N.C.

The Army Commendation Medal is awarded to those individuals who demonstrate outstanding achievement or meritorious service in the performance of their duties on behalf of the Army.

Duhaime is company commander with the 1st Special Operations Command.

His wife, Linda, is the daughter of Marvin Hegler of Enterprise, Ala. He is a 1972 graduate of Auburn University, Ala.

Racing Pigs Coming To Chicken Festival

They're off--and running!!! Clyde, Claude, Sal, and Ike, Swindom's Swifts! Plus four more high speed land racing pigs battle it out in an hilarious snout to snout competition down to the finish line. Robinson's Racing Pigs were the

Number 1 attraction of the 1985 season playing a total of 144 days of racing before over 5,000,000 fairgoers.

That's right folks. Pig Racing. It will be one of the many attractions at

the "first Ever" National Spring Chicken Festival to be held at the Coffee County Fairgrounds in April. The Racing Pigs have appeared at the Alabama State Fair, the Tennessee State Fair, the Louisiana State Fair, and at major Fairs across the country. The Pigs will race up to six times a day at the Coffee County Fairgrounds starting Tuesday, April 15 and running through Saturday, April 19. The trainers of the pigs report that they are easier to train than a dog and are very smart. They are trained to race for the Oreo Cookies at the finish line. "Hogs have an insatiable sweet tooth," reports Paul Robinson. The pigs average 14.2 miles per hour around the 150 ft. track. Maybe they enjoy the attention as much as the Oreos. Or maybe they're just Hams.

ELBA POLICE REPORT

The Elba Police Department reported a quiet week with no arrests and two citations (speeding and no drivers license on person).

Following are daily activity reports:

TUESDAY, FEB. 18
Activity included a possible intoxicated driver on 84 west (12:06 p.m.).

WEDNESDAY, FEB. 19
Activity included a disturbance at Brooksville (2:43 a.m.), cows out on the Kinston Hwy. (10:40 a.m.), a disturbance on Bourbon St. (7:37 p.m.) and a wreck on Caroline St. (9:10 p.m.).

THURSDAY, FEB. 20
Activity included a breaking and entering at Elba Ford Tractor (6:51 a.m.) and a subject with a gun at the old Bargaintown store advising he was going to kill his wife (8:06 a.m.).

FRIDAY, FEB. 21
Activity included a disturbance at Elba Villa (7:50 a.m.), a wreck on 87 north (2:23 p.m.) and a wreck at the Dairy Queen (2:56 p.m.).

SUNDAY, FEB. 23
Activity included a wreck at the Big Bear (3:13 p.m.) and a wreck on County Road 80 (3:29 p.m.).

MONDAY, FEB. 24
Activity included a drag racing at Brunson Circle (11:41 a.m.), a wreck on 84 west (12:18 p.m.), a grass fire on Taylor Mill Rd. (1:22 p.m.), and a wreck with injuries on Hwy. 166 (5:26 p.m.).

WILSON TO PARTICIPATE IN LEADERS PROJECT

Dr. Linda Wilson, executive assistant to the chancellor, Alabama Department of Postsecondary Education, is one of the 160 top women in management chosen nationwide to participate in the "Leaders Project," an international leadership training program for two-year college women administrators.

Designed to help women improve the skills needed to assume major decision-making roles in two-year institutions, the program will include instruction and practice in supervisory and human relation

skills, finance and budgeting, employee relations and labor management skills and discussions with national experts on the issues confronting two-year colleges.

During the six-month project, participants will work on a research project that will aid their agency, participate in special regional work shops and national conferences and become involved with other women in top-ranked administrative positions.

Participants were chosen for their interest in advancement in two-year college administration and the quality of their proposed project, which will develop new skills as well as benefit their individual agency.

The project is sponsored by the League for Innovation in Community Colleges, a consortium of community college districts in the United States and Canada, and by the American Association of Women in Community and Junior Colleges. The program is being conducted by the Institute for Leadership Development at Rio Salado Community College in Phoenix, Ariz.

Dr. Wilson received a Ed.D. in Vocational and Adult Education from Auburn University in 1982. Since 1973 she has worked in middle and top-level administrative positions with Enterprise State Junior College, where she has taken leave of absence to work with the Department of Postsecondary Education. She is a member of numerous professional organizations and has received many awards and recognitions for her contributions to postsecondary education. Most recently, she was named Enterprise Junior College's 1986 Alumna of the Year.

Dr. Wilson is the daughter of Mrs. Mervin Coon and the late S. W. Coon, formerly of Elba.

Homeowners Insurance

IT'S A PERSONAL THING

Everybody does not have the same homeowners coverage needs. Our company recognizes this and provides many, many options so that your insurance can be tailored to your particular situation. CIVIL ACTION NO. CV 85-53

NOTICE OF SALE

In accordance with the Decree of the Circuit Court of Coffee County, Alabama, Elba Division, rendered in the above styled cause, said Decree being dated the 21st day of February, 1986, the undersigned, Jim Ellis, as Clerk of said Court, will proceed to sell at public outcry, for cash, on March 27, 1986, real and personal property, hereinafter described, located in Coffee County, Alabama.

The sale of real estate will be held at 11:00 A.M. before the West Door of the Coffee County Courthouse at Elba, Alabama, which said real estate is described as follows:

The E½ of the NW¼, all that part of the NW¼ of the NE¼, lying West of the old lower Elba and Samson public road, and the W½ of the SE¼, all in Section 19, Township 4 North, Range 20 East, in Coffee County, Alabama, containing 200 acres, more or less, LESS AND EXCEPT, a parcel of land conveyed by O.O. Davis, a single man, to Larry J. Odom and wife, by Warranty Deed dated 2 April 1970, recorded in Deed Book 53-A, at Page 421, in the Probate Office of Coffee County, at Elba, and being more particularly described as follows: One lot or parcel of land containing one acre, more or less, lying between and being a part of the SW¼ of the SE¼ of Section 19, Township 4 North, Range 20 East, and being more particularly described as follows: Beginning at the point where the Northwest right of way line of the Enterprise, Damascus-Opp State Blacktop Road, is intersected by the East line of said SW¼ of SE¼ of the NE¼, which point is very near the Southeast corner of said forty (and which forty line is also the land line between O.O. Davis Property and Claude Bowdoin Property); thence running North along the East line of said forty a distance of 210 feet to a point; thence running West along a line parallel with the South line of said forty to a point on the East right of way line of the Elba-Ino paved county road; thence running South along the right of way line of said Elba-Ino paved county road a distance of 210 feet, more or less, to the intersection with the South line of said forty; thence running in an easterly direction along the South line of said forty to its point of intersection with the Northwest right of way line of the Enterprise, Damascus-Opp State Blacktop Road; and thence running in a north-easterly direction along the North right of way line of said last mentioned road to the point of beginning.

The sale of personal property will be held at 1:30 P.M. at the Onie Oscar Davis home on Coffee County Highway No. 25 (Elba-Ino River Road), Route 3, Elba, Alabama 36623, which said personal property is described as follows:

1 Horse Cultivator
12 Horse Cultivator

Hefty! Handsome! Heartwarming!

**Tremendous
4-Piece Pine
Master Bedroom
\$999**

"American Heritage" by Lehigh is for those who demand large
helpings of comfort. The solid pine fronts and "Heritage Pine"
finish reflect the splendor of a Northern forest. East bedpost
stands a mighty 52" high. Quality-crafting of wood solids and
products means enduring strength and beauty. And it's yours
for the very unmassive price of \$999 at Chandler Furniture.

Triple dresser, gallery mirror,
6-drawer chest and hefty
"Buffalo Bill II" poster bed
... Night stand extra

**CLASSIC OAK
TRADITIONAL
VALUE**

**FOUR PIECE
BEDROOM
GROUPING \$999**

Includes door triple dresser, pediment hutch mirror, chest
and cannonball spindle panel headboard.
Night chest is optional.

A Classic Early American design in a medium "gumstock" brown
finish over oak solids and oak veneers. Elegant features, without
the high price tag, include dentil waist moulding on triple dresser,
chest and night chest... a hand-sawn, shaped colonial style base and
authentically styled antique brass finish hardware. The triple dresser
features a door with two tray drawers and a pediment hutch mirror.
